Headteacher's Update

We are now well in to the autumn term here at Blackfell. Next week sees our first Parent Consultations for this academic year. You will have received your appointment and be looking forward to the opportunity to see your child's work and discuss their progress with the class teacher. In addition to this, you will receive your child's personalised targets for this term to further support their learning. I have been interviewing our Year 6 children this week for a number of roles and responsibilities across school. These positions include Playtime Paramedics, News Production team, Librarians, Cloakroom Monitor to name a few. I was very impressed with the children's letters of application and their comprehensive answers in their respective group interviews. Well done you all are a credit to our school!

We hope that you are finding our new website useful. We have uploaded our revised School Prospectus 2015/16 that includes comprehensive information about our school. If you have the opportunity, please take the time to read this document that clearly states our high expectations, excellent provision and shared aims for all our children. Our school statement states '**We care for every child in our school**' and we all do our very best to ensure all children are provided with the very best education possible.

We all hope that you have an enjoyable half term holiday when it comes.

Attendance

Our attendance for September was 97.9%. Each week the class with the highest attendance is rewarded with a class certificate and extra playtime. To date we have 172 children with 100% for this term and who are looking forward to an Italian themed lunch the last day of term where the children will be rewarded with Dominos Pizza served by the Headteacher and staff.

Bookworm Challenge

Thank you everyone for your support with our Reading Bookworm challenge! The children have been eager to share their home school reading diaries and gain a star for reading with you at home. We aim for every child to read over ten weeks and earn a Blackfell Bookworm badge and enter the prize draw in December.

Design a Story Teller's Chair

Next week when the book fair is in school, we would like all children to be involved in a competition to design a special Story Teller's Chair. KS1 children can draw and label the features of their special chair and KS2 children can design, label or write about the special features of their chair. The design can be as fun and as outrageous as you like however we hope for it to promote reading! We look forward to seeing your exciting entries (that need to be returned to school by **Wednesday 15th October**). The winner in each class will be able to choose a book from the book fair. We hope to have a story teller's chair in both our libraries as part of our whole school development of reading this year therefore are looking for some fantastic ideas. Good luck!

School Council children from Year 5 and Year 6 will be attending the Anti Bullying Conference. Further details to follow.

Film Club

Key Stage 2 children enjoyed Film Club last week. Unfortunately there was a small technical hitch however this did not spoil the enjoyment! The children enjoyed watching their film with hotdogs and drinks. We are looking forward to Reception, Year 1 and 2 Film Club on Tuesday 4th November.
